

# Bonguzta®

**Welcome** to the NVA Food Innovation and Industrialization Center. S.A.

**We are located in an industrial area 30 minutes from the city of Quito, in Ecuador.**

We have a modern agro-industrial plant that meets the **highest quality standards.**

We produce cooked, frozen and ready-to-eat foods.

The production line focuses on a variety of doughs and fillings under our Bonguzta brand or with any given store brand.

**Our objective is to satisfy the needs of the market, and we are open to establishing strategic alliances in order to develop new products.**

Currently, our products are already marketed in Europe and the United States through a strategic ally, and our vision is to reach more international markets with you.

**FROM THE CENTER OF THE WORLD**  
Our vision is to offer products of great  
quality, ease of use and good taste.
